WEDDING LOOK-BOOK
DESIGNS BY ANNA MERKT

MY STORY

Hi, my name is Anna. I own Little Local Flower Farm. I have over five years of wedding design and growing experience.

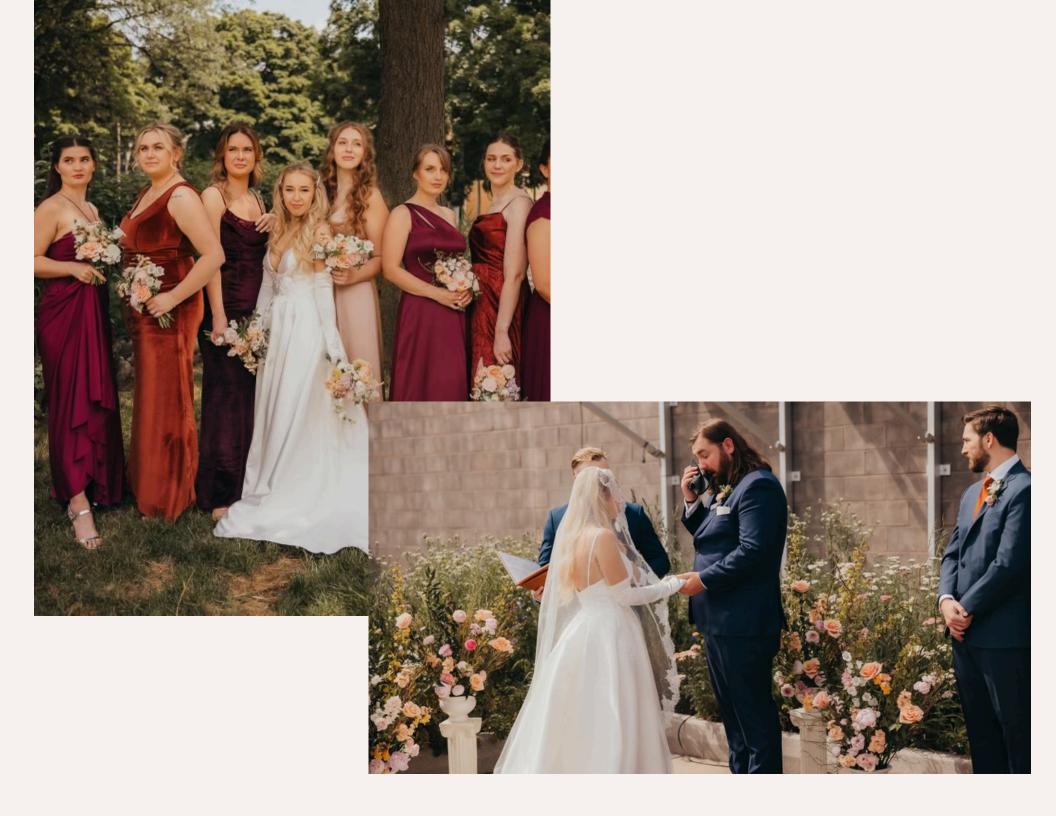

I am a detail driven creative, whose main skill is listening and adapting to changing creative visions.

I love working with the pristine blooms grown here on my farm and I can't wait to bring your wedding floral dreams to life.

In my spare time I enjoy bike touring (an awesome combination of camping and biking) and playing with my three year old doodle puppy named Goonie.
